

My Dance Graduation Plan

All dance majors are required to create a personal graduation plan their first year of being a major, and update and review it each year. Dance majors are required to meet with their assigned major advisor annually to have their graduation plan approved, or a hold will be put on their registration account.

- 1) New majors work with their assigned faculty advisor to develop a graduation plan.
- 2) After meeting with their faculty advisor, and getting their graduation plan approved and signed, students are required to submit this plan through email (emily_emerick@byu.edu) to the HFAC Advisement Center (D-444) and meet with Emily Emerick, our college advisement representative, by November 15th in fall semester for current majors and February 15th in winter semester for new majors, or a “registration hold” will be place on your student account.

The Process for Turning in your Graduation Plan

- 1) Create your graduation plan using this form. Download onto your personal device. Fill out the graduation plan, save it, and email it to your advisor prior to scheduling an appointment with your advisor. Go through the graduation plan in your advisement meeting. If approved, your advisor will electronically sign the plan and email you the final form which you should save over the original grad plan. Schedule an advisement meeting with Emily Emerick (emily_emerick@byu.edu) and email the signed and approved plan to her prior to your meeting.
