BA in Dance (663921)
2022-2023 Program Requirements Cont...

MISSION

The Department of Dance integrates body, mind, and spirit through performance, choreography, teaching and scholarship.

THE DISCIPLINE

The Bachelor of Arts (BA) in Dance serves the following purposes:

1. to build and refine skills in dance technique through study of more than one dance genre.
2. to build and refine skills in a self-selected emphasis in teaching, choreography or performance.
3. to critically examine issues relevant to dance through a comprehensive dance curriculum.
4. to increase ability to model professional behaviors and practices relevant to dance.

CAREER OPPORTUNITIES

The Dance BA prepares individuals to pursue varied career paths in the dance field based on self-selected emphases among program elective options. These career paths may include teaching, performance, or choreography in a variety of venues and genres, including but not limited to work in private studios, community and recreational dance programs, and professional and semi-professional dance companies. Dance BA graduates are prepared to enter dance graduate programs and/or other post-baccalaureate work as well.

PROGRAM ADMISSION AND PROGRESS

The Bachelor of Arts in Dance is an open enrollment program. Students may declare a Dance BA Major upon entry to the university and will be assigned a dance major advisor. All technique courses require at least a B- and teacher approval for advancement to the next level. All majors must complete annual mandatory advisement and follow the MAP sheet to assure successful course sequencing. Exceptions to major course requirements and sequencing are strongly discouraged and rarely granted. Failure to follow suggested course sequencing may result in delayed graduation. To be eligible for many upper-division courses, students must successfully complete Dance 241R, Dance 290, and Dance 261 during the freshmen year, and Dance 243R and 244R during the sophomore year.

ADVISEMENT AND PROGRAM INFORMATION

Students may contact dance major program coordinators or their assigned faculty advisor with questions regarding program objectives, course content and sequence, career goals, and other matters pertaining to their major field of study. Students should contact the CFAC Advisement Center with questions regarding GE course requirements and sequencing. Mandatory annual advisement is required for all dance majors. The program coordinator for the Dance BA is:
