It is possible to complete the General Education requirements for the students who are well prepared in just 49 credits, but variables may extend that portion of student education as far as 82 credit hours before completion for some individuals. - Note: Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.</p>	Requirements	#Classes	Hours	Classes	Religion Cornerstones				Teachings and Doctrine of The Book of 2022-2023

ADVISEMENT INFORMATION

Students may contact dance major program coordinators or their assigned faculty advisor with questions regarding program objectives, course content and sequence, career goals, and other matters pertaining to their major field of study. Mandatory annual advisement is required for all majors. The program coordinator for this major is:

Ashley Parov
281A RB
Brigham Young University Provo, UT 84602
Telephone: 801-422-0348
Email: Ashley_parov@byu.edu

Students should contact the CFAC Advisement Center with questions regarding general education requirements and course sequencing.

PROGRAM ADMISSIONS

The Dance BFA major is a limited enrollment program which requires students to apply and audition for acceptance through a department admissions process. Admitted BYU students should declare their intent to pursue a Dance BFA by self-selecting the Dance BFA pre-major prior to a live audition. Students will be accepted to the major through a live audition process, which may occur off-campus at approved venues.

Upon acceptance to the Dance BFA, students will participate in annual mandatory advisement through the advisement center, and with an assigned faculty advisor. Additionally, students will participate in annual proficiency examinations in ballet, contemporary dance, and choreography to ensure students are on track to graduate in a timely manner.

Note: Students may apply to the Dance BFA major twice.

THE DISCIPLINE

The Dance BFA serves three main purposes:

- 1) to prepare competent professionals who demonstrate advanced skill in dance performance and choreographic principles, leading to a career in professional performance.
- 2) to critically examine issues relevant to dance through a comprehensive dance curriculum.
- 3) To expand students knowledge of current work in the field, and increase their ability to model professional behaviors and practices relevant to dance.

FINANCING YOUR EDUCATION

All students are encouraged to apply and attend a live audition for department talent awards. If for any reason students are unable to attend a live audition, video audition submissions are acceptable, though not preferred. In addition to talent awards, the department of dance awards dance major scholarships for which students are encouraged to apply. Dance major students may also apply for grants to fund supplementary workshops, international experiences, and special projects.

Information concerning all scholarship applications and deadlines can be found on the Department of Dance website at dance.byu.edu

MAP DISCLAIMER
