

My Dance Graduation Plan Fall 24

All dance majors are required to develop a personal gradation plan.

- 1) Newly accepted majors work with an assigned faculty advisor for the first year to develop a graduation plan.
- 2) The student is required to submit this plan to the CFAC Advisement Center (WCOB, 960 N 50 W, Provo, UT 84604) typically before March or a 'registration hold' for Fall will be placed on your student file.
- 3) After the first year you are required to meet with the CFAC Advisor in the CFAC Advisement Center each year to review and update your graduation plan. Once again, the meeting should take place before March to insure a 'registration hold' is not placed in your student file.

The Process for Turning in your Graduation Plan

- 1) Create your gradation plan using the attached forms (PLEASE USE PENCIL)
 - a. [1st year majors] Schedule a meeting with your dance faculty advisor to review the plan. All majors must then review their graduation plans with advisement yearly.
- 2) Have your faculty advisor sign your plan and take this packet to the CFAC Advisement Center. (The advisor should make two copies of this packet - one for them and one for you - and send the original with you to take to the CFAC Advisement Center)
